(ONLINE GATHERING)

Having the right tools makes all the difference, so we've provided a few to help make your online Guild Event a smashing success!

Online Guild Event Promotion

Whether you've got a small group of 3-4, a large group of 30-40, or a massive group of 80-100, a Guild Event is designed to give teens a fun and engaging atmosphere for exploring life's biggest questions! If you're a church or youth organization, our hope is that this will not only increase engagement with existing students, but also grow awareness of the work you're doing by allowing students to invite their friends. That said, here are a few tips for promoting your upcoming Guild Event:

- *Share promo video with your group (i.e. church, school, youth org., etc.) and on social media 3-4 weeks in advance of your Guild Event*
- *This is an activity for all students, not just the 'Nerdy' ones*
- *Ask students to invite their friends to the Guild Event*
- *This is a great activity for students you haven't seen in a while*
